Division: Chief Operations		Program: Facilities Operations

Note: To apply for a state agency job with TFC, you must complete the electronic State of Texas Uniform Application for Employment.

JOB SUMMARY:

Performs advanced (senior-level) installation, maintenance, and repair work of plumbing systems and components. Work involves coordinating the assembly, installation, or repair of pipes, fittings, or fixtures of heating, water, and/or draining systems. May serve as a lead worker providing direction to others. Works under limited supervision, with considerable latitude for the use of initiative and independent judgment.

ESSENTIAL FUNCTIONS:

- Coordinates and performs pipe cutting, welding, preassembly, and/or installation of plumbing systems or components.
- Coordinates and prepares work orders, reports, and records.
- Performs troubleshooting and preventative maintenance tasks on all plumbing equipment.
- Assembles pipe sections, tubing, or fittings using couplings, clamps, screws, bolts, cement, plastic solvent, caulking, or soldering, brazing, or welding equipment.
- Installs pipe assemblies, fittings, valves, appliances, or fixtures.
- Locates and marks the position of pipe installations, connections, passage holes, or fixtures in structures.
- Measures, cuts, threads, or bends pipe to required angles using hand or power tools or machines. M
- Reviews blueprints, building codes, or specifications to determine work details or procedures.
- Recommends and installs energy-efficient and water-conserving equipment and alternative water sources.
- Makes estimates related to time, materials, and/or labor costs for repair jobs or project plans.
- Inspects structures to assess material or equipment needs, to establish the sequence of pipe installations, or to plan installation around obstructions.
- Welds small pipes or special piping using specialized techniques, equipment, or materials.
- Conducts annual inspections and testing.
- May inspect the work of others to ensure compliance with applicable codes or ordinances.
- May serve as a lead worker providing direction to others.
- Performs related work as assigned.

MINIMUM QUALIFICATIONS:

- Graduation from a standard senior high school or completion of GED.
- Ten (10) years' experience in building maintenance and repair related to plumbing, including one (1) year supervisory or lead worker experience.
- Master plumbing license issued by the State of Texas.
- Vocational or technical training in the plumbing trade may be substituted for experience on a year-for-year basis.
- Experience with PVC, Copper, Galvanized, Brass, Cast and Black Iron pipe.
- Valid State of Texas Class "C" driver license.
- Master Plumber by the State of Texas.

Texas Facilities Commission Employment Opportunities

KNOWLEDGE, SKILLS & ABILITIES:

- Extensive knowledge of the repair, maintenance, and operation of plumbing systems and equipment, and safety practices and procedures.
- Knowledge of the maintenance and repair of steam, water, and natural gas distribution systems.
- Considerable skill in the installation, maintenance, and repair of plumbing equipment.
- Skill in the use of oxygen-acetylene soldering equipment.
- Skill in the use of tools and equipment.
- Skill in handling multiple tasks.
- Ability to estimate materials.
- Ability to apply proper methods, techniques and procedures in the maintenance and repair of plumbing systems and related equipment; and to perform maintenance.
- Ability to operate motor vehicle.
- Ability to work off of all types of ladders and scaffolds to access plumbing equipment and valves in overhead spaces.
- Ability to follow oral and written instructions.
- Ability to read and understand blue prints.
- Ability to provide customer service.
- Ability to communicate effectively, both orally and in writing.
- Skill in the use of personal computers, Phones, Texting and Video use for documenting problems.

PHYSICAL REQUIREMENTS AND/OR WORKING CONDITIONS:

This position requires the ability to stoop, bend, lift, and stand for prolonged periods of time. Must be able to move 55 lbs. and, occasionally, 100 lbs. of products and materials. Must be able to work outdoors and in various weather conditions. Must be able to navigate uneven terrain and at various heights using ladders and lifts.

Veterans: Use your military skills to qualify for this position and others at TFC. Go to www.texas skillstowork.com to translate your military experience, training, and formal education into civilian job terms, qualifications, and skill sets.

Veterans, Reservist or Guardsmen with an MOS or additional duties that fall in the fields of 91 Ordnance, 13 Engineer, Construction, Facilities, and Equipment, or other related fields pertaining to the minimum experience requirements may meet the minimum qualifications for this position and are highly encouraged to apply. Please call Human Resources at (512) 463-1717 with questions or for additional information.

Additional Military Crosswalk information can be accessed at
http://www.hr.sao.texas.gov/Compensation/MilitaryCrosswalk/MOSC_Maintenance.pdf

Incomplete applications will not be considered.

Conditions of Employment:

Initial screening is based on the Education and Experience minimum qualifications defined in the job posting. Interviewee selection is based on applicant information explaining how they meet each Competency (Knowledge, Skills and Abilities) requirement. Follow application instructions and fill out application form completely for further consideration.

If selected for interview, all veterans must provide a DD214 long form. Official transcripts or other minimum requirement validations will be requested at the time of interview.

As part of its employment process, TFC may procure or have prepared a criminal background check. An applicant with an unsatisfactory criminal background check report is ineligible to be hired for the position for which the report is initiated.
